Re: Job Opening for Engineer II

Qualified applicants are encouraged to apply for the Engineer II job currently open in the Engineering Division. This position will remain open until filled.

Hiring range \$67,157.00 to \$82,302.00 salary will depend on qualifications and experience. The District offers a highly competitive benefits package.

JOB DUTIES: Under general supervision, performs professional engineering work of complexity in the Engineering Division for the Metropolitan Sewerage District of Buncombe County. Work involves plan review and engineering design related to Capital Improvement Projects, including sanitary sewer rehabilitation, treatment plant rehabilitation, and new construction projects undertaken by the District. Employee will provide overall project management and is responsible for designing collection system and treatment system improvements, preparing construction plans and specifications. Employee will work with the public, contractors, Director of Engineering, and other MSD staff to explain project intentions, and to obtain and provide necessary information. Employee is responsible for review and approval of work performed by consultants or staff for construction of Capital Improvement Projects. Supports Director of Engineering in technical, fiscal and project management functions. Employee must also exercise considerable tact and courtesy in frequent contact with property owners, residents, vendors, various governmental agencies, and the general public. Reports to Director of Engineering.

MINIMUM TRAINING AND EXPERIENCE

- Bachelor's degree in civil or environmental engineering and a minimum of 5 years of experience in sanitary sewer system construction and design work; or any equivalent combination of training and experience that provides the required skills, knowledge, and abilities.
- Professional Engineer (PE) is required.
- Possession of a valid North Carolina driver's license.

PREFERRED QUALIFICATIONS

- Registration as North Carolina Professional Engineer

Interested candidates can apply online at <http://www.msdbc.org/employopps.php> will find more information at our website: www.msdbc.org. Resumes may also be submitted to mtroughton@msdbc.org
